

1 The Claims

2
3 Claim 15 has been amended to include features from allowed Claims 16 and 18.
4

5
6 New Claim 21 is similar to Claim 15 except that Claim 21 specifically recites:
7

- 8 1. An electrical accessory outlet in a vehicle (Specification, p. 9, line 22);
9
10 2. A telephone in the storage means (Specification, p. 9, line 20);
11
12 3. An electrical adapter plug (Specification, p. 9, line 22);
13
14 4. An electrical cord interconnecting the electrical adapter plug and the
15 telephone (Fig. 2, 9; Specification, p. 9, lines 24 to 26); and,
16
17 5. That the second end of the electrical adapter plug *prevents* the aperture *from*
18
19 *passing over* the second end.
20
21

22 New Claim 22 is similar to Claim 15, except that Claim 22 additionally recites that the second
23 end of the adapter *prevents* the aperture *from passing over* the second end.
24
25

26 New Claim 23 is similar to Claim 15, except that Claim 23 recites:
27
28

1. A socket on the interior of the motor vehicle;
2. Adapter means with a first end which removably engages the socket; and,
3. Adapter means with a second end with *prevents* the aperture *from passing over* the second end.

Applicant endeavored to include in the amended Claims either limitations recited in allowed Claims or other similar distinguishing limitations.

The Abstract

The Abstract of the Disclosure has been rewritten as required by the Examiner.

The Drawings

Applicant intended for the subject matter of Claims 6 and 20 to be represented by strap 46 in Fig. 4. However, these Claims are no longer being pursued.

The Specification

The Examiner questioned whether Fig. 2 was adequately described in the Specification. Applicant respectfully submits that Fig. 2 is sufficiently described for the following reasons:

1. Reference characters in Fig. 2 correspond to reference characters in Fig. 1. These

1 reference characters are described on p. 7 of the Specification.

2
3 2. Lines 16 et seq. on p. 8 of the Specification refer to Fig. 2.

4
5
6 3. Lines 20 to 23 on p. 9 of the Specification refer to Fig. 2.

7
8 Check

9
10
11 A check in payment of the fee for the additional independent Claim is attached hereto.

12
13 If the Examiner finds merit in the foregoing remarks and amendments, it is believed the
14 application is in condition for allowance and such action is earnestly solicited.

15
16
17 Respectfully submitted,
